

# 785

Part Number: 785

## Specifications

The 785 seat shown in 'Charcoal' cloth and vinyl trim.

The 785 is a strong, comfortable and durable seat designed for forward or rearward facing applications. The seat features a 3-point integrated seat belt, reclining backrest, child restraint anchor, and an ergonomic base cushion with energy absorbing mesh to reduce fatigue. The 785 can also incorporate a seat belt buckle with electric switch. This can be wired to an indicator inside the vehicle to enable the driver to see if the attendant is wearing their seat belt before departure.

### Features

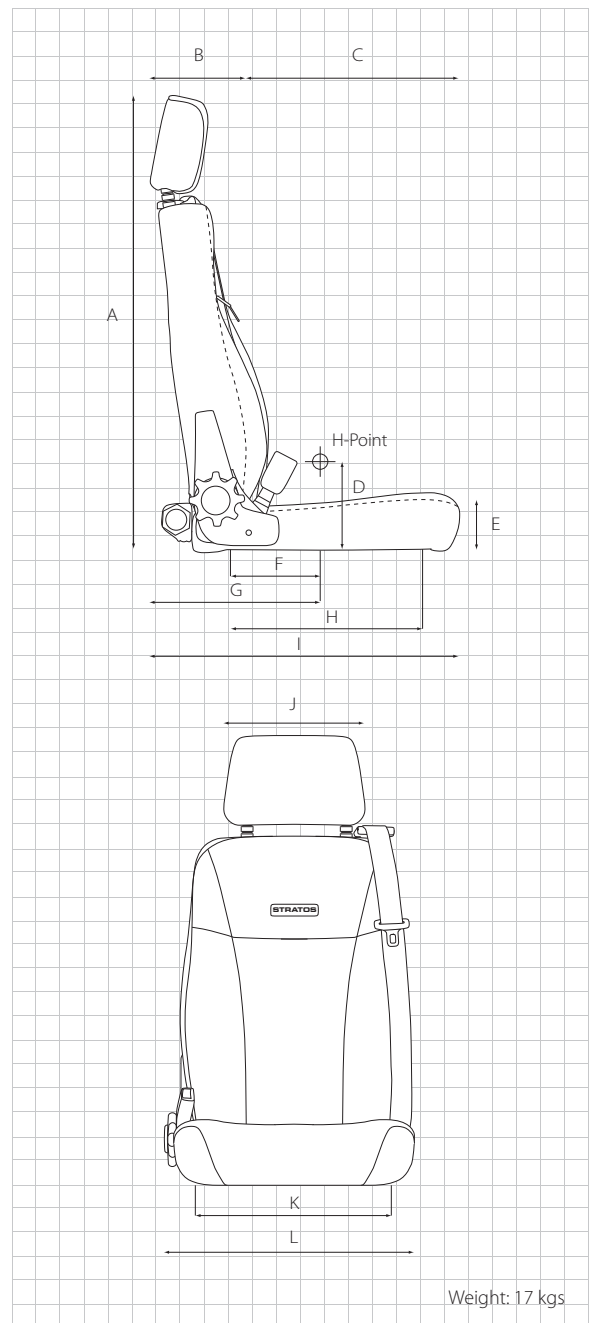

- Forward and Rearward facing
- 3 point integrated lap sash seatbelt
- Adjustable reel type reclining mechanism
- Child restraint anchor
- Wide range of trim options available
- Compliance to ADR's 3.03, 4.04, 5.05

**Options** Seat belt buckle with electric switch, Seat slides (220mm total travel), Fold-up Armrests, Air Lumbar Adjuster, Swivel turntable, Fluoro seat belt.
