Stratos Seating recommends that seats be installed by competent and experienced personnel only. In some cases, the install may require certification by an approved engineer. Removing seats with side impact airbags from your vehicle may cause your vehicle to no longer comply with Australian Design Rules. Please check with your local authorities. 11-532

AUTOMOTIVE **SEATS**

...FOR THE JOURNEY AHEAD

**QUALITY
COMFORT
DURABILITY
STYLE**

I decided to upgrade my seat to a 3000 Compact. I could not be happier with the service, quality and most importantly ride comfort

A SMOOTHER RIDE

3000 Compact ERGONOMIC SEAT

The great 'All-rounder'

The 3000 series backrest is ergonomically contoured to provide support for the lower back to improve driving posture. The lumbar region can further be enhanced with an optional air lumbar adjuster. The Compact base features energy absorbing mesh which lessens driver fatigue and increases comfort. To view accessories, trim options & dimensions of this seat, please visit:

<http://stratos.com.au/products/seats/3000-compact>

KEY FEATURES

- Ergonomically designed
- Vibration reducing mesh
- Ultra comfortable Enduro Foam
- Wide variety of applications

**MAXIMUM COMFORT
MINIMUM VIBRATION**

LTSS
Technology
Light Truck Suspension Seat

3000 LTSS SUSPENSION SEAT

The ultimate in relief for 4WD & Light Truck drivers

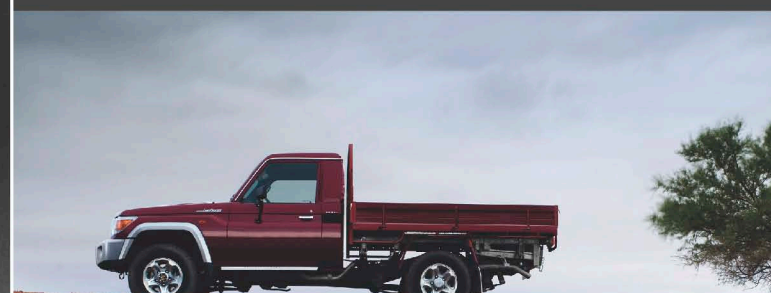

The 3000 LTSS seat utilizes many features found on the 3000 Compact seat with the addition of our patented 'LTSS' suspension system. Proven to considerably reduce vibration transmission to the occupant by up to 60-70%, the LTSS suspension will provide both driver and passenger with increased comfort and support in even the toughest four wheel drive conditions. To view accessories, trim options & dimensions of this seat, please visit:

<http://stratos.com.au/products/seats/3000-ltss>

KEY FEATURES

- Adjustable LTSS suspension
- Low profile design
- Reduces vibration by up to 70%
- Reduces fatigue over long trips
- Relief for existing back injuries

I purchased the 3000 LTSS seat from Stratos and it was like having a new car

SPORTS DESIGN

3000 LS SPORTS SEAT

Designed with the sports driver in mind

The 3000 LS features an extendable base cushion for added thigh support which can relieve muscular tension. Energy absorbing mesh lessens driver fatigue and increases comfort. The 3000 series backrest is ergonomically contoured to provide support for the lower back and a high degree of lateral support when cornering. To view accessories, trim options & dimensions of this seat, please visit:

<http://stratos.com.au/products/seats/3000-ls>

KEY FEATURES

- Sports Design
- Excellent lateral support
- Side bolsters on base
- Extendable front support
